2010

invites you to

Robert Sawyer Public Lecture

The Future of Biosciences

Tuesday, April 13, 2010
8:00 - 9:00 pm

Centre Room, Sheraton Cavalier
612 Spadina Crescent East
Saskatoon

This is a free event

Called "the dean of Canadian science fiction" and a master of "bold scientific extrapolation", Robert challenges thinking about cutting-edge technologies and explores their societal impacts. Please join us at this thought provoking lecture.
